

DISNEY BELLE PUMPKIN DIY

Rose Template

1. Print this page.
2. Cut along the outline of the rose. When using scissors or other sharp objects, be sure to have an adult present.
3. Pin it to the pumpkin and trace with a pencil.
4. After painting the base of the rose, cut the rose template along the 1st and 2nd dotted lines and trace the sections with a pencil onto the painted rose.
