SET SAIL WITH SUPER HEROES

Enjoy Marvel Day at Sea during select 5-night cruises from Ft. Lauderdale, Florida, this January through March.

SUPER HEROES ARE EVERYWHERE

Imagine spending an entire day in the company of dozens of your favorite Super Heroes on *Disney Cruise Line*. Then set your course for Marvel Day at Sea, where for one day during your 5-night cruise aboard the *Disney Dream*, you'll encounter a veritable who's who of over 30 beloved Super Heroes.

You can also meet them at scheduled Heroic Encounters throughout the ship, where music and colorful backdrops create a sense of being in the multiverse. So suit up in your Super Hero duds and join other fans to get a hug and an autograph.

HIGH-OCTANE ENTERTAINMENT

"We've packed the day with non-stop activities and experiences," says Dan Fields, Executive Creative Director, Disney Live Entertainment. The Star-Spangled USO Show celebrates the music of Captain America's origins in the 1940s. Vintage big-band song-and-dance numbers give the event plenty of swing.

At the Strange Academy: A Spellbinding Spectacular, Doctor Strange and Sorcerer Supreme Wong demonstrate the power of the mystic arts. Young Super Heroes can learn the ways of the Dora Milaje under the leadership of General Okoye in The Warriors of Wakanda. Or train with Captain America and other Super Heroes at the Avengers Training Initiative.

Catch a blockbuster film, participate in Family Trivia (your youngsters will excel—but will you?) and learn how to draw popular Super Heroes at the Animation Academy.

A HEROIC FINALE TO THE DAY

Your Marvel Day at Sea ends with Heroes Unite, an immersive spectacle starring a massive lineup of Super Heroes and Villains in an epic, multiverse hopping battle. "The deck is filled, front, back and above your head with heroes and villains," Fields says.

"The entire day is filled with non-stop experiences and it is so much fun," he concludes. "The Super Heroes' powers and ideals have meaning in our own lives. I love watching Guests' interactions with these heroes and seeing fans of all ages feel as though they have had an opportunity to become immersed in and part of this amazing world."

SPECIAL VACATION FINANCING

Cardmembers get a promotional APR of 0% for 6 months on select Disney cruises from the date of purchase with your Disney Visa Card. See your Cardmember Agreement.⁶ Then prepare for heroic adventures.

MEET THE MARVELS

Team building gets supercharged in *The Marvels* in theaters November 10th.

To be a Super Hero, you need unique special powers, a desire for justice and a lot of courage. All three of the Super Heroes in Disney's new live-action film, *The Marvels*, possess just those qualities. And they're going to need each and every one of them.

AN UNLIKELY TEAM

Carol Danvers, a.k.a. Captain Marvel, (Brie Larson) has reclaimed her identity from the tyrannical Kree and taken revenge on the Supreme Intelligence. But unintended consequences see Carol shouldering the burden of a destabilized universe. When her duties send her to an anomalous wormhole linked to a Kree revolutionary, her powers become entangled with that of Jersey City super-fan, Kamala Khan, aka Ms. Marvel (Iman Vellani) and Carol's estranged niece, S.A.B.E.R. astronaut Captain Monica Rambeau (Teyonah Parris). Now the trio must team up to save the universe.

STRONG PERSONALITIES

But can these three strong women defeat the evil that awaits them? Harnessing their very diverse and distinct personalities may prove challenging as they attempt to work together to take on outside forces.

It helps that each Super Hero has her own way of looking at life, plus her own hopes, fears, concerns and sense of humor. Eventually, those personal attributes as much as their superpowers help them deepen their connections with each other.

CHAMPION CAPTAIN MARVEL

One of the mightiest Super Heroes in the universe, Captain Marvel is a galaxy-traveling champion of the oppressed. She's fierce and capable, but also compassionate and vulnerable. Assertive, flexible and quick thinking, Captain Marvel is a risk taker. But she

can be stubborn. And she sometimes makes mistakes. However, when her mistakes bring her down, she always finds the strength to get back up.

OPTIMISTIC KAMALA KHAN

Kamala Khan is a smart Muslim American high schooler whose mentor and hero is Captain Marvel. With her Super Hero "embiggening" and "hard-light" powers, Kamala protects the streets of Jersey City. But she's also a high school student, which means she must navigate fitting in at school, balancing her family's beliefs with her powers, and steering through the shoals of young romance.

DEDICATED MONICA RAMBEAU

Monica has been like a niece to Captain Marvel, although they have been estranged lately. As an astronaut for S.A.B.E.R., Monica Rambeau has superhuman reflexes, superior

marksmanship and spectral vision. Caring and compassionate, she is dedicated to fighting for justice. Monica can be strong-willed and doesn't always easily accept the word "no," but she still adores Danvers and is eager to be included on the team.

TEAMING UP FOR VICTORY

The Marvels not only celebrates the Super Heroes' phenomenal powers, but also lets us see their human side—the side that helps them become a team and makes them into heroes we love and care about. They are a stellar example of how teaming up changes everything.
