10 Years on a Magic Carpet Ride

We chatted with the Genie from *ALADDIN* on Broadway on what makes the milestone anniversary so special.

If you had three wishes for an unforgettable theatrical experience, they would probably include fantastic music and choreography, beautiful staging and costumes and great performances. Yes, we realize those are five wishes, but *ALADDIN*, the Hit Broadway Musical, delivers on them all in addition to having a heartwarming story.

Based on the 1992 Disney animated film, *Aladdin* tells the tale of a poor boy who falls in love with a Princess and must overcome obstacles and adversity to win her hand. He's helped along by an exuberant, unstoppable master of magic—the one, the only—Genie.

ALADDIN officially opened on Broadway on March 20, 2014, at the New Amsterdam Theatre and was nominated for five Tony Awards that year. It has since become the fifth longest-running show on Broadway. During its decade of delight, it has entertained over 16 million people in nine productions worldwide.

To celebrate this special occasion, we spoke to the Genie himself, Michael James Scott. Scott's "Genie journey" as he calls it, began when he opened the show on Broadway as the Genie standby. Since then, he has transformed himself into the mythical, magical character in both national and international tours and on Broadway. His total time "out of the lamp" and onto the stage? Over 3,000 performances!

THE HEART OF THE SHOW

Scott has compelling beliefs about what makes *ALADDIN* such a beloved show. And it lies in something beyond its beauty, humor and music. "What's special about *ALADDIN* is what it's about," he says. "It's about heart. It's about hope and sheer joy!"

Scott brings not only his energy and talent to his performance, but also his love for the role. "It's a wonderful feeling to play a character everyone loves," he says. "The Genie is the main catalyst in the show. Everything that happens to everyone, is because the Genie makes it happen. When Aladdin says the Genie can have the third wish and he wishes to be free, it's the first chance he's ever had to think about himself. Until that moment, he's always making magic for others."

FAVORITE MOMENTS

Scott loves everything about the show, but even a Genie can have his favorite scenes. For Scott, it's the classic song, "Friend Like Me". "It's a show-stopping, seven-minute-long tap number brilliantly crafted by our world-class director-choreographer, Casey Nicholaw," he says. "The costumes are stunning, the entire stage is gold, there are even pyrotechnics. The energy is so high, and it builds and builds. I've seen it bring the entire audience to their feet! It's an incredible moment to be a part of."

A DECADE OF DELIGHT

Anything that has succeeded for 10 years is bound to have seen some subtle changes over time. "We're learning something new all the time," Scott explains. "We always want the show to represent the world that we're in. The genius of our team is that they know how to do that," Scott concludes. "This is a show for everyone, it's beloved around the world. People connect with the story. I think it's because ultimately, it's a universal story about hope."

Check out page 15 for an additional exclusive Cardmember limited-time offer to help you celebrate 10 years of *ALADDIN* on Broadway.

Embark on Adventures Aboard the All-New *Disney Treasure*

The newest ship from *Disney Cruise Line* takes travelers on a journey that will create memories you'll treasure forever.

Set your course for spirited experiences and adventures that begin the moment you come aboard the *Disney Treasure*. From Character encounters, Broadway-style stage shows, action-packed kids clubs, specially-designed get-away places for adults and unique immersive dining experiences, you may wish each day was more than 24 hours long in order to enjoy all the ship has to offer!

HOURS OF PLAY FULL STEAM AHEAD

If it's thrills you're after, take a turn or two on the AquaMouse, an exhilarating water coaster ride featuring a brand-new show. Or splash and play in 10 pools and water play areas for the whole family. Awesome clubs offer children of every age and stage dedicated places where they can explore, imagine, create and just hang out under the guidance of trained counselors.

RELAX AND UNWIND

Meanwhile Mom, Dad and other adults can unwind in spaces designed just for them and inspired by Disney Parks attractions, including Skipper Society, Periscope Pub and Quiet Cove Pool, an adults-only refuge dedicated to lounging, sipping and soaking up the sun. Discover exquisite cuisine at elegant restaurants designed for adults. Or treat yourself at Senses Spa, a nature-inspired oasis.

There's also the new Haunted Mansion Parlor, a first-of-its-kind hangout for lively "spirits" and a specially-crafted cocktail menu that is to die for. A new chapter of the Haunted Mansion story is being told at sea with 999 happy haunts in an experience that immerses Guests in the beloved attraction. Is that an illusion you see, or is it just your imagination? Grim grinning ghosts are bound to materialize when summoned by the sound of a custom musical arrangement inspired by the attraction's original score.

UNIQUE IMMERSIVE DINING

A day full of adventures at sea is certain to work up an appetite for explorers of all ages. *Disney Treasure* offers a treasure chest of memorable culinary experiences. And every one of them weaves Disney storytelling into the décor, the entertainment and the menu. It's like adding a dash of magic to every bite and sip you take.

You'll find incredible, immersive family dining at one of three imaginative restaurants. Take a culinary journey back in time at the elegant 1923 restaurant, inspired by classic animation and the Studio that started it all. Suit up at Worlds of Marvel Restaurant—a cinematic dining experience that takes you on a quest of epic proportions with your favorite Super Heroes. And this year, for the first time, you can satisfy your appetite and your spirit with the newest rotational dining experience: the beautiful Plaza de Coco restaurant.

"We are so excited and proud to bring this new dining experience to our Guests," says Juan Cantu, Show Director Disney Live Entertainment. The new multi-night theatrical dining experience immerses Guests in Santa Cecilia, Miguel's colorful hometown from Disney•Pixar's *Coco*. "We have created the essence of the town square in Miguel's small Mexican town," Cantu says. "Guests will dine surrounded by vibrant store fronts and trees, so they feel as if they're sitting outdoors in the Plaza while they feast on the flavors of Mexico. It's a beautiful setting." The first night, Guests join Miguel, his parents and his grandmother, Elena, as they prepare for Dia de los Muertos with lively music, dancing and singing.

On your second night at Plaza de Coco, the town square is transformed for the Dia de los Muertos celebration with a flower-adorned "ofrenda" (offering table) as seen in the film. Then, with a strum of his enchanted guitar, Miguel calls his ancestors, Hector and Imelda, to the Plaza to join you and your "familia" in honoring celebrations from birthdays to anniversaries with music, song and dance. "It's a beautiful celebration of 'familia'," Cantu says. "In addition to great authentic Mexican cuisine, we wanted to feed our Guests spirits with the joy of being together."

And in the long run, that's what a cruise on *Disney Treasure* is truly about...celebrating the joy of exploring, adventuring and being together! The *Disney Treasure* begins sailing December 2024. For more information about *Disney Treasure* or to book your cruise, visit DisneyCruise.com/Treasure. It's time to let your imagination set sail!
