AN INSIDE LOOK
AT THE NEW

SOARIN' ACROSS AMERICA

As our country celebrates its 250th anniversary, the beloved Soarin' Across America attraction at *Disney California Adventure*® Park at the *Disneyland*® Resort and at EPCOT® at *Walt Disney World*® Resort honors the heart and spirit of the nation with a breathtaking journey “from sea to shining sea.”¹

IMMERSED IN WONDER

Embark on a breathtaking adventure as Soarin' Across America sweeps you above a dazzling tapestry of iconic locations from coast to coast. From vibrant cities and treasured historical sites to awe-inspiring natural wonders, each scene unfolds with spectacular sights, evocative sounds, and an unforgettable musical score. Even the air is alive with rich, authentic scents—drawing you deeper into every moment. Step into the story and experience the thrill of flight as if you're truly soaring over America's most beloved landscapes.

CHOOSING THE LOCATIONS

“One of the challenging aspects of creating this version of Soarin' Across America was

quite simply choosing the locations we wanted to capture,” says Tom Fitzgerald, chief storytelling executive, Walt Disney Imagineering. “There are just so many! We had to make 12 or 13 hard choices between iconic cities, natural wonders, and places people will recognize. Other places may even introduce viewers to something they've never seen before! Plus, every location has to look great from the air!”

SHOOTING FOR PERFECTION

Once locations are selected and scouted, the shooting begins—after working through logistical and technological challenges, of course. According to Fitzgerald, each location takes about a week to shoot, depending on wind and weather. “When we went to Hawai'i, we had to wait for days because of a haze in the air. At last, on the final day the sun poked through! Sometimes, it's simply the terrain that demands superior diligence and creativity. Our filming of the Grand Canyon West is wonderful, but it took the helicopter 106 flight “paths” to get the perfect shot. We always want to get it perfect because we're trying to put Guests in the story.”

“It's wonderful to see it all come together,” Fitzgerald continues. “At some point you say ‘Wow! That's our journey!’ I am so proud that Soarin' Across America is premiering for the nation's 250th celebration,” concludes Fitzgerald. “We're all celebrating what's so wonderful about our country.”

Feel even more “Red, White and Blue” this year with Mickey Mouse Ears especially created to commemorate

the country's 250th anniversary. Cardmembers enjoy 10% off these festive Mickey Mouse Ears at select locations at Disney Parks when you use your Disney Visa Card, so you may want to take them home as a keepsake for the whole family!^{2, 3}

MUSICAL MAYHEM WITH THE MUPPETS

NOW OPEN AT *DISNEY'S HOLLYWOOD STUDIOS*®¹

GET IN THE GROOVE WITH G FORCE RECORDS

Hang onto your Mickey Mouse Ears for a twisting, turning road trip with The Muppets on the Rock 'n' Roller Coaster Starring The Muppets in *Disney's Hollywood Studios*® at *Walt Disney World*® Resort this summer. It's a race through a Muppet adventure, complete with new laughs, new music, and a little mayhem along the way.

CONTROLLED CHAOS

"Rock 'n' Roller Coaster Starring The Muppets is all about controlled chaos, big laughs and rock and roll fun," says Jackie Swisher, VP, *Disney's Hollywood Studios*®. "Bringing The Muppets to this beloved attraction adds a whole new layer of heart and humor to it. The Muppets have a unique ability to connect with Guests across generations, and their playfulness pairs well with the thrill of this attraction," says Swisher. At *Disney's Hollywood Studios*®, storytelling is at the center of everything that is done, and The Muppets help tell this story in a new bold, high-energy way.

"Rock 'n' Roller Coaster has always been about music, energy, and thrills, and those themes remain very much intact. You'll still feel the thrill and hear exciting music, but now it's layered with the kind of humor and chaos that only The Muppets can deliver," Swisher says. "The project has been a true collaboration between The Muppets Studio team and Walt Disney Imagineering in order to bring the Characters and the storyline to a high-speed attraction."

"Every creative decision, from the story setup to the music, visuals and comedic timing, was approached with great care," Swisher says. "Everyone involved wanted this to feel unmistakably like The Muppets while still honoring what Guests love about Rock 'n' Roller Coaster. Our Guests are nostalgic about both The Muppets and Rock 'n' Roller Coaster," Swisher adds. The team worked very closely to balance honoring the legacy of the original ride with this completely new Muppet-infused experience. "You'll want to keep your eyes peeled for Muppet details woven throughout the experience. The Muppets are putting their own spin on high-velocity laughter! And you'll want to tune in!

IMMERSE YOURSELF IN PIXIE DUST

AT D23: THE ULTIMATE DISNEY FAN EVENT PRESENTED BY VISA® IN ANAHEIM, CA, AUGUST 14-16, 2026

When wonder, creativity, artistry and imagination combine, the result sparks magic. And it's that special spark which inspires every aspect of Disney storytelling celebrated this year at D23: The Ultimate Disney Event in Anaheim, CA, August 14th, 15th and 16th. The event, which began in 2009, has since expanded to include unique events and celebrations across the city of Anaheim.

YEARS IN THE PLANNING

"I have been part of the planning of this event since 2009 and it has truly been a career highlight. I love to see how the event has evolved over the years, how we continue to raise the bar to exceed expectations. We think about every beat of the event from the lens of a Disney fan,"

says Michael Vargo, Head of D23. According to Vargo, one of the most significant challenges during the planning is scheduling, "getting all the stars to align" in his words. Coordinating various venues, working with vendors and securing talent requires careful orchestration to deliver an exceptional experience. "Working alongside the very best in the Walt Disney Company and the industry is something I am proud to be a part of," he says.

THREE DAYS OF EXCLUSIVE OPPORTUNITIES

Attendees are immersed in the creativity, beauty, laughter and magic of Disney through exclusive opportunities to go behind the scenes, giving Guests a rare look at how the stories they love are

crafted and revealing innovations that inspire Disney's future. This year, attendees can experience 50+ panels, immersive experiences and the largest show floor ever and then head to the Honda Center

for spectacular evening shows, showcases with stars, storytellers and exciting revelations about future plans.

"We are beyond thrilled for this year's event—our biggest and most expansive ever. We love to deliver plenty of surprises for our fans, so I can't share everything here. But, I am particularly looking forward to our Disney Legends Ceremony that will take place on Sunday, August 16th at the Honda Center," adds Vargo. This year's honorees include Bob Iger, Dwayne Johnson, Anne Hathaway, The Jonas Brothers, Lin-Manuel Miranda, Alan Tudyk, Susan Egan, Eric Goldberg, Kim Irvine, Jerry Bruckheimer and Chris Berman.

CELEBRATE FOR A DAY

Can't attend the event this year? Instead, plan to enjoy the pixie dust on August 13th at D23 Day at *Disneyland*® Park, an extraordinary "take over" of the Park offering special events, specialty food and merchandise, unique photo opportunities, entertainment, and a limited quantity of complimentary, exclusive D23 Day Mickey Mouse Ear Hats! A special cavalcade featuring Disney Legends, as well as some beloved Disney Characters, will take place on Main Street, U.S.A., at *Disneyland*® Park during the festivities.

BOND WITH FELLOW FANS

"What makes D23 extraordinary is the sense of community and shared passion," says Vargo. "Attendees not only experience the magic of Disney's worlds firsthand, but also connect with fellow fans, creating distinctly Disney memories and bonds."

"My favorite part is when the doors open each morning and the first fans come in. Their excitement and passion on their faces—it's rewarding to see our efforts bring the magic to life for them."

MAXIMIZE YOUR EXPERIENCE

For getting the most of your experience, Vargo recommends visiting D23.com/UlimateFanEvent2026 for information about all the events and experiences offered. Then make your plan based on your top priorities and be sure to set aside time to explore everything else. "Above all, have fun and soak in the atmosphere alongside fellow Disney enthusiasts," he says.

Disney Rewards and Chase are proud sponsors of D23: The Ultimate Disney Fan Event. If you are headed

to the event, stop by the Disney Rewards booth and jump into the fun at our Disney Rewards photo spot. You can also pick up a special giveaway just for Cardmembers at the event while supplies last.⁶ And don't miss Mundo Pixar: The D23 Experience, presented by Disney Rewards Visa® Cards from Chase!

START STREAMING AND DREAMING

SHARE MEMORIES OF THE LAUGHTER YOU LOVED

When the weather is steaming outside, it's time to cool down and start streaming inside—on Disney+ and Hulu, where you can chill out as you take a nostalgic trip to the past with the second annual “Disney+ Hulu Throwbacks”. It's the perfect time to enjoy the films and series you loved—or just as much fun—introduce them to your youngsters and share the music, laughter and drama together.

“The music, content and characters from this era are tied to very specific memories and moments in so many people's lives, and getting to revisit all of it can be comforting, fun and communal,” says Lauren Gutierrez, Manager, Brand & Marketing Strategy at Disney+. “So many fans have made it clear

online how much this content means to them. The goal of Throwbacks is always to make something fun and nostalgic—like a homecoming for everyone who has kept the magic of these shows and movies alive for the past 20 years, or longer!”

INSPIRED BY FANS

The inspiration and impetus behind the 2026 Throwbacks season came from viewers and fans who made it clear how much they enjoyed the first season in 2025 and how much sharing the nostalgic films and series meant to them. “Viewers really connected with Throwbacks last year. It seemed as if fans were genuinely excited to revisit these moments with us. If people

are still watching a show, quoting it and posting about it 20 years later...that's usually a pretty good sign. In fact, it feels like we all have inside jokes because so many of us grew up with these shows and movies,” says Gutierrez.

THROWBACKS HIGHLIGHTS

One of the most exciting highlights of this Throwbacks season is the fact that titles from both the Disney+ and Hulu libraries are included, so viewers can enjoy Disney Channel classics like *High School Musical* and *Zenon*, and revisit shows such as *Golden Girls*, *Glee*, *The O.C.* and *One Tree Hill*. “It really is the best of both worlds,” Gutierrez says. This year, Throwbacks viewing is also leaning into iconic anniversaries for beloved shows such as *High School Musical*, *Hannah Montana* and *The Devil Wears Prada*. “The list just keeps on going,” continues Gutierrez. For a complete list of Throwback titles, visit DisneyPlus.com/Explore/Throwbacks.

A VIEWING LEGACY

“I truly believe that the nostalgia and fun of Throwbacks and Disney+ and Hulu give families something of great value. It brings them together. Even different generations can connect over the stories. There's magic in that. Personally, I am definitely planning to rewatch the first *The Devil Wears Prada* and *Camp Rock*. Also, *Gilmore Girls* is very special to me and my sister. It will always be my number one show!” Gutierrez concludes.

Settle in, throwback to some favorites, and earn Disney Rewards Dollars when you use your Disney Visa Card to purchase your subscription directly at DisneyPlus.com or Hulu.com.⁸

AN INTERVIEW WITH **MOANA**

We had the privilege of speaking to Catherine Laga'aia about her creative journey playing the role of the brave young wayfinder in the new live-action film, Disney's *Moana*, arriving in theatres July 10th.

Q HOW DID YOU FEEL WHEN YOU LEARNED YOU HAD THE ROLE?

A It was the most extensive casting process I have ever been through; a year of hard work and waiting! When I found out I had the role of Moana, I cried. I knew that the role was going to be challenging, but I couldn't fathom the journey I would go on.

Q HOW DID PLAYING THE ROLE HONOR YOUR SAMOAN HERITAGE?

A I found a deeper connection with my heritage. Representing Samoa is such an honor. We were fortunate to have incredible cultural consultants guiding us, ensuring everything was as authentic as possible and that we did our best to respect Pacific traditions and cultures.

Q WHAT INSPIRED YOUR INTERPRETATION OF THE ROLE?

A I wanted to stay true to this beloved character, but I also found inspiration in my personal experiences. I found a lot of parallels between my experiences and Moana's. Being across the globe in a place I had never been and doing things I had never done, I experienced plenty of imposter

syndrome and nerves about whether I was the right person, which felt similar to what Moana would have experienced on her journey.

Q WERE THERE SCENES THAT WERE ESPECIALLY CHALLENGING?

A All the underwater scenes were both incredibly fun and technical, requiring us to multitask with safety procedures while also handling blocking—it felt like juggling. I had an incredible water safety and stunt trainer who guided me through it. I had also trained and prepared in preproduction to feel ready for these scenes. Working in the tanks was always fun and a great way to get my sea legs.

Q DO YOU HAVE FAVORITE MOMENTS WITH THE CAST?

A Working with this cast has been so special. Each castmate taught me a lesson. One of my favorite moments was when Moana came home. She spends a lot of time away from her people in the film, so that moment was not only about reuniting with her parents and village, but also about me reuniting with the cast that I hadn't seen in so long.

Q WHAT DO YOU HOPE AUDIENCES WILL SEE IN THE FILM?

A I hope they feel like they've seen an old friend for the first time in a long time. They will recognize so many elements of the original movie while also experiencing new additions to the story. Moana carries such an important message of striving to face challenges presented to you and to look beyond the reef to seize new opportunities. Moana teaches an incredibly important message to kids: that they should believe in themselves when met with adversity. I also hope the Pacific Islanders see themselves on screen in all the characters and the cultural elements portrayed throughout the film.

THAILAND AND CROATIA & SLOVENIA!

This spring, *Adventures by Disney*® announced two intriguing new destinations: Thailand and Croatia & Slovenia offering an alluring range of activities, events and memorable offerings to entice, intrigue and entertain travelers of every age.

FROM COCONUTS TO ELEPHANTS IN THAILAND

“This is the first land excursion we have offered in Thailand,” says Chantel Frye, Manager, Trip Development. “We are all thrilled to highlight the Thai culture and beauty for Guests.” The 10 days, 9 nights journey includes a guided kayaking tour in beautiful Phang Nga Bay that allows Guests to relax hands-free so they are able to photograph the stunning scenery. The

itinerary also includes a visit to the Bangrong Community Project where Guests will be learning all about the Phuket pineapple and how coconuts are farmed and enjoy a class in preparing authentic Thai cuisine. And what would a visit to Thailand be without elephants—an important part of Thai culture.

CST 2082519
This itinerary, including but not limited to activities, hotels, meals, and transportation, is subject to change.

“We worked closely with members of Disney’s Animals, Science and Environment team to ensure the elephant sanctuary we visit is a healthy, respectful environment that focuses on the conservation and care of these gentle giants,” Frye explains. Other activities include a visit to the Grand Palace in Bangkok and Ayutthaya, a historical ancient city and UNESCO World Heritage site and a lavish farewell dinner with a private performance of traditional Thai dance.

FROM GREEN TO GOLD IN SLOVENIA & CROATIA

“In this 8-day, 7-night trip, Guests travel from the lush green forests and mountains of Slovenia to the golden beaches of Croatia,” says Frye. A special welcome dinner at the medieval Ljubljana Castle with costumed performers sets the atmosphere for your journey of discovery. Experience Slovenia’s enormous pride in its bees and beekeeping heritage with a visit to a local apiary where you learn about the beekeeping process and taste a variety of honeys. In the mountainous Velika Planina region, Guests experience the ancient heritage of herdsmen and savor flavorful cheeses and handcrafted breads. Then, head south to Dubrovnik, Croatia where you kayak around the ancient fortress city, relax on golden beaches beside azure seas, visit a local farm to learn about olive oil production, and explore historic Lokrum Island.

“It takes us 12 to 18 months to choose a new destination, research and plan it,” Frye concludes. “Our teams have one overarching goal: to create adventures that enthrall every age. I believe these new itineraries are a perfect example of the care and pleasure we take in offering our Guests such unique and enjoyable experiences.” Visit [AdventuresbyDisney.com](https://adventuresbydisney.com) for more information, then pack your bags and your sense of adventure!
